

## **Landscape Horticulturist**

Join the Postcard Perfect Ltd. Team! If you enjoy working outdoors, this is a great opportunity. Full-time technician positions available. Our company has been an industry leader in lawn care for over twenty years and is expanding our garden maintenance, design and installation division.

### **What We Do:**

- We provide garden maintenance, design and installation to residential and commercial customers.
- Our technicians travel to customer properties to maintain, design and install gardens

### **What You'll Do as an Landscape Horticulturist:**

- Report to the yard punctually and be prepared to work a full day.
- Perform regular garden maintenance at various residential and commercial properties on weekly, bi-weekly or monthly basis.
- Ensure that job sites, truck/trailer and the yard are kept clean and well organized at all times.
- Supervise and guide labourers in completing maintenance work.
- Help enforce job safety practices.
- Execute new garden projects for potential clients from initial meeting through to completion of the project
  - Includes preparing designs based on initial client feedback, placing orders with suppliers, site preparation, installation of various landscape products and planting.
- Communicate with regular maintenance customers after each visit to explain what was done and what should be done going forward.

### **Landscape Horticulturist Requirements:**

- Red Seal Landscape Horticulturist
- Valid driver's (G) license and clean drivers abstract required
- Minimum 3 Years of industry experience
- Must be able to read and interpret landscape plans
- Experience using landscape design software
- Self-confident
- Effective Communication skill (verbal and written)
- Must have own transportation to and from our yard
- Knowledge of proper garden maintenance (pruning, planting, plant health diagnosis etc.)
- Excellent customer service skills
- Conscientious, attentive to detail and willing to work in a team atmosphere
- Reliable
- Willingness and ability to work flexible hours (Including some weekends in the spring and fall)

**Job Type:** Full-time

**Starting Wages:** \$22.00 to \$26.00 /hour

### **Required education:**

- Red Seal (Landscape Horticulturist Certification)
- Additional Landscape Ontario certifications would be an asset
- Pesticide Exterminator or Technician License would be an asset
- Supervising experience would be an asset

**Only applications with a cover letter will be considered  
Potential for year round employment to right candidate**
