

Licensed Carpenter

Join the Custom Carpentry by Postcard Perfect Team! If you enjoy working outdoors, this is a great opportunity. Full-time carpenter positions available. Our company has been an industry leader in lawn care for over twenty years and is expanding our carpentry division.

What We Do:

- We provide deck and general carpentry, design and installation to residential and commercial customers.
- Our carpenters travel to customer properties to maintain, design and install decks and perform other carpentry duties.

What You'll Do as an Licensed Carpenter:

- Report to the yard punctually and be prepared to work a full day.
- Read blueprints, drawings and sketches to determine project specifications and material requirements.
- Measure and calculate dimensions of project materials as needed.
- Cut materials to measure using hand tools, machines, or power tools.
- Cut, smooth and shape lumber and other materials as needed to meet project specifications.
- Build custom decks from brown pressure treated lumber, western red cedar and Trex composite material.
- Install custom railings built from wood, steel and aluminum.
- Build custom sunrooms and additions from the ground up.
- Move necessary materials around the jobsite as assigned.
- Clean up worksite debris.
- Communicate with customers to explain and update project schedules.
- Help coordinate sub trades on larger projects.

Licensed Carpenter Requirements:

- Completion of recognized apprenticeship, and/ or Red Seal Carpentry Certification
- Minimum 4 years of industry experience
- Must be able to lift up to 50 pounds
- Valid driver's (G) license and clean drivers abstract required
- Must be able to read and interpret blueprints
- Effective Communication skills (Verbal and written)
- Basic math skills
- Must have own transportation to and from our yard
- Good customer service skills
- Conscientious, attentive to detail and willing to work in a team atmosphere
- Reliable
- Willingness and ability to work flexible hours

Job Type: Full-time

Starting Wages: \$25.00 to \$35.00 /hour

Required education:

- Completion of recognized carpentry apprenticeship or Red Seal Carpentry Certification
- Additional Carpentry certifications would be an asset
- Supervising experience would be an asset

Only applications with a cover letter will be considered
