

Property Maintenance Technician

Join the Postcard Perfect Team! If you enjoy working outdoors, this is a great opportunity. Full-time, year round technician positions available. Our company has been an industry leader in lawn care and snow removal for over twenty years and is looking to grow our amazing team.

What We Do:

- We provide landscaping, lawn care & snow removal services to residential and commercial customers.
- In the spring/summer months, our technicians travel to customer properties to provide various landscaping and lawn care services including fertilizing, spraying, lawn cutting, garden maintenance, hardscaping and softscaping.
- Throughout the winter, our technicians provide snow removal & ice control services to residential and commercial properties.

What you will do as a Landscape/Lawn Care Labourer:

- Report to the yard punctually and be prepared to work a full day.
- Perform various services at residential and commercial properties.
- Help enforce and follow all safety procedures.
- Communicate with customers before each service to explain what will be done.
- Interact with our CRM software to complete jobs and log time as well as materials.
- Communicate all customer feedback to your supervisor.
- Complete daily checklists with well organized and detailed notes.

What you will do as a Snow Removal Technician:

- Complete snow removal services at residential or commercial properties using a tractor, loader or similar equipment
- Assist the walkway crews

Requirements:

- Valid G Class drivers license with clean drivers abstract
- Front line customer service experience
- Reliable
- Willingness and ability to work flexible hours (Including some weekends in the spring)
- Effective Communication skill (Verbal and written)

What We Have to Offer:

- RRSP matching plan up to 5% of your annual salary
- Group benefits including dental, long term disability and critical illness coverage
- Great corporate culture
- Room to advance

Job Type: Full time, year round

Starting Salary: \$40,000 to \$50,000

Required Education/Certification:

- Landscape Exterminator Pesticide License would be an asset
- Related Post-secondary education would be an asset
- Landscape Ontario certification would be an asset
- Experience driving a tractor or heavy equipment would be an asset

Only applications with a cover letter will be considered
