Mosquito/Tick Control Technician

Join the Postcard Perfect Ltd. Team! If you enjoy working outdoors, this is a great opportunity. Seasonal/Full-time technician positions available. Our company has been an industry leader in lawn care for over twenty years and is expanding into mosquito and tick control.

What We Do:

- We provide seasonal mosquito and tick control services to residential and commercial customers by repelling and killing the outdoor pests.
- Our technicians travel to customer homes to apply barrier spray solutions that keep their yard mosquito and/or tick free.

What You'll Do as a Mosquito/Tick Control Technician:

- Visually inspect and treat for mosquitoes and larvae.
- Maintain good customer relationships.
- Take personal initiative and responsibility for correcting any problems.
- Maintain chemical records according to provincial requirements.
- Participate in technician team meetings.
- Thoroughly explain to the customer the expectations for services and procedures.

Mosquito/Tick Control Technician Requirements:

- Pesticide Technician License or willingness to obtain license
- Valid driver's license
- Able to walk customer property while carrying equipment weighing over 60 lbs.
- Comfortable driving to customer locations
- Self-confident
- Effective Communication skill (verbal and written)
- Professional
- Friendly
- Good customer service skills
- Detail oriented
- Reliable
- Willingness and ability to work flexible hours

Job Type: Seasonal/Full-time with option for full time salaried position doing snow removal in the winter.

Starting Wages: \$20.00 to \$25.00 /hour

Required education:

- High school or equivalent
- Related Environmental education

Only applications with a cover letter will be considered
Potential for year round employment to right candidate
